Estimated Bills, for the past 14 months, despite the fact that the meters were read by Comed employees, the readings were not recorded. Bruce Douglas sent more than 5 people here to my house to read the meter and said I should not pay anything, now until he get to the bottom of what his people do with the readings they read. Now the Bill has accumulated (\$1,100). The only thing in the Basement is Storage with 3 light Bulbs, the monthly ~~reading~~ <sup>amount</sup> jump from (\$10-15) a month to (\$80-100) Comed people saw my Basement. They knew that there is nothing here so why the (\$80-100)?

Please clearly state what you want the Commission to do in this case:

I am not paying the total Bill (\$1,100) the usual reading for the Basement is between (\$10-15) a month, if the reading for one year is entered along as they read the meter its (\$100) I CC is the highest authority, Comed abused its power as a utility company together with all their employees for the past 14 months. Am not paying (\$1,100) Comed with their employees <sup>account not me.</sup>
